RULE 111 AMENDMENT

Sir:

Responsive to the Office Action mailed January 24, 2006, please amend the above-identified patent application as follows:

HUBR-1183.1-Div

REMARKS

Entry of this amendment and reconsideration of this application, as amended, is respectfully requested.

The indication of allowable subject matter is gratefully acknowledged.

Claims 21, 22, 32, 34, 38 and 40 were rejected under 35 U.S.C. §112, first paragraph for allegedly failing to enable claims directed to prevention of the conditions recited in the claims. A signed declaration of the inventor will be submitted that provides data and evidence to overcome this rejection.

Claim 21 and 22 were rejected under 35 U.S.C. §112, first paragraph, for allegedly failing to comply with the written description requirement. It is believed that the amendment to claim 21 overcomes this rejections.

A favorable response is respectfully requested.

If any fees are, authorization is given to charge deposit account no. 50-0624.

Respectfully submitted,

FULBRIGHT & JAWORSKI L.L.P.
